

## **KEVIN M. EIDT MEMORIAL SCHOLARSHIP FUND 2025 NORWALK HIGH SCHOOL SCHOLARSHIP FINAL APPLICATION INFORMATION**

### **SCHOLARSHIP AWARD**

The Kevin M. Eidt Memorial Scholarship Fund, a 501(c)(3) public charity, was established to honor the life and legacy of Kevin Eidt. Kevin passed away from cardiac arrest while playing an intramural basketball game at Boston College in January 1997. At Norwalk High School Kevin was co-valedictorian of the class of 1996, co-captain of the boy's tennis team, a member of the marching and jazz bands, and a volunteer for the American Heart Association, Norwalk Soup Kitchen, and Save the Children Foundation, and member of the St. Jerome Youth Group. The mission of Kevin's Fund is to recognize, through the gift of education, outstanding achievements across the spectrum of academics, athletics, arts, and community and religious service.

The 2025 scholarship award will be \$130,000, payable in eight consecutive fall and spring semester payments of \$16,250.

The financial award associated with this scholarship is not guaranteed. Although the Fund currently has more than sufficient assets to fulfill the full scholarship commitment, significant future adverse conditions affecting financial markets or an unexpected change in the Fund's tax status may impede the Fund's ability to make some or all the indicated semester payments. In the unlikely event the Fund is financially unable to make any portion of a scheduled payment, the recipient will be entitled to receive some or all the missed payments consistent with the Fund's financial recovery.

This scholarship award is limited to payment for tuition room, board, and academic fees billed by and payable to the college or university at which you are a full time student and on track to graduate within four years from your high school graduation.

The recipient agrees to designate this scholarship is the last scholarship of all the scholarships, grants, and financial aid received. Therefore, this scholarship award amount is subject to reduction in the event this scholarship and the sum of all other financial aid, grants, or scholarship awards promised or received exceeds the total of your tuition, room, board and academic fees in any given semester. No part of this scholarship award can be used as a replacement for any financial aid, grant, or scholarship which may be withdrawn by another group, organization, or school as a result of our scholarship award.

### **CRITERIA FOR MAINTAINING RECIPIENT ELIGIBILITY**

In applying for this scholarship an applicant needs to understand and agree to the following eligibility criteria required to maintain the scholarship.

1. Recipient is required to maintain their academic standing at Norwalk High School from the time of their application through graduation. Official copies of all grade reports received after submitting the application must be sent to the Fund within seven (7)

calendar days of receipt. The Fund reserves the right to re-evaluate the amount of the scholarship in the event:

- the recipient's academic performance deteriorates from the cumulative GPA submitted as part of their application or,
  - the grade reports are not submitted to the Fund.
2. Recipient must enroll as a full-time student in the fall semester following graduation, in a four-year public or private, not for-profit U.S. college or university from which the recipient can receive a bachelor's degree.
  3. Recipient must remain in good standing in both their home and school communities. As a representative of and spokesperson for Kevin's Fund, the personal conduct of the recipient is of paramount importance to the Fund. Any conduct by the recipient which can be judged as harmful or detrimental to the Fund must be immediately reported to the Board of Directors. In the event the recipient loses their good standing, as determined solely by the Fund's Board of Directors, all scholarship payments will permanently cease. There is no provision for reinstatement of the scholarship. If a recipient loses their good standing and does not notify the Fund of this information on a timely basis, any scholarship payment made by the Fund, as a result of a delay in notification by the recipient, will be required to be repaid by the recipient.
  4. Recipient must cumulatively maintain at least a "B" average, (3.0 on a 4.0 scale), at the end of each academic semester. In the event the recipient fails to achieve the required academic standard for maintaining the scholarship, the Fund will cease scholarship payments. In the event the recipient is able to subsequently restore their academic average to the stated minimum, the recipient may request reinstatement of the scholarship by writing the Scholarship Fund and providing suitable documentation. The Board of Directors, in their sole discretion, may reinstate the recipient's eligibility and, although not required to, the Fund may determine if appropriate to reinstate any scholarship payment withheld because the recipient did not meet the academic criteria for one or more semesters.
  5. Recipient is required to provide the Scholarship Fund a written summary of their learning experiences and athletic, arts, community, and religious involvements within twenty-one (21) calendar days of the end of each academic year including senior year. Failure to provide the summary after graduation or the inability to fulfill the post graduate requirement to speak at the scholarship presentation and benefit dinner dance following graduation entitles the Fund to claw back some or all of your senior year scholarship payments.
  6. Recipient must be on track to earn sufficient credits to graduate within four years. The Board of Directors reserves the right, in their sole discretion, to discontinue payments in the event the recipient will not be able to graduate within four years, withdraws from school, or is not enrolled as a full-time student in any semester.
  7. The monetary award provided by Kevin's Fund will be reduced in the event the aggregate of all scholarships, awards, and non-work-related grants received or earned by the recipient exceeds 100% of their qualified educational costs (defined as tuition, academic fees, room, and board) for any semester. More detailed information regarding this condition will be provided to the recipient.

8. The Fund's scholarship payment can only be made to a U.S. college or university and is limited to qualified tuition, academic fees, room, and board for the fall and spring semesters. Room and board charges for recipients who choose to live off campus are qualified only if billed by and payable to the U.S. college or university. Eligible payments for a recipient wishing to study abroad are qualified only if billed by and payable to their U.S. college or university.
9. The Fund is not able to make any scholarship payment without receipt of an official transcript for the prior semester. A recipient, who as a result of choosing to study abroad, is unable to provide the requisite transcript in time for the Fund to make the next semester payment, will have the payment deferred until the semester immediately following the receipt of the official transcript.
10. A recipient who enrolls in a college or university on a trimester schedule or a five year graduate degree program should contact the Fund for scholarship payment guidelines.
